

WP6- NA6: WP “Integration, outreach, and sustainability”

Deliverable D 6.7: Tutorial workshop during annual meeting to improve knowledge transfer within ACTRIS, Month 12

ACTRIS-Vision Workshop

22-23 August 2011

Vuosaari/Helsinki, Finland

The activity has been started during the ACTRIS Helsinki Workshop in August 2011. The aim of Helsinki workshop was to discuss strategy for establishing a long-term ACTRIS infrastructure and how to improve integration inside ACTRIS. The organization of a specific workshop, improve knowledge transfer within ACTRIS, has been postponed.
